Email: ceo@professionalaccountant.org

question:

Please let us know if "R.P.A." designated members could apply to the competition. We wish to advise bilingual members of the Society.

Subject: PI-DI-14468/new auditors

On behalf of the Honourable Reg Alcock, President of the Treasury Board and Minister responsible for the Canadian Wheat Board

Dear Mr. Nichols,

Thank you very much for your recent email concerning the hiring of an additional 300 auditors.

Hiring of auditors would occur over a few years. We expect that qualified internal auditors would be hired from both within and from outside of the Public Service. The total number of individuals hired from outside of the Public Service is dependent upon many factors, including the ability to attract and retain qualified competent individuals from within the Public Service. The qualifications required for these positions will vary depending on the responsibilities of the positions and will include education, experience and bilingualism.

The www.jobs.gc.ca is the primary mechanism for the public to apply for positions in the federal public service. We encourage designated R.P.A.'s to apply where they meet the essential qualifications for specific public service positions. We also suggest that members of the public consult this site frequently for new job listings.
